GOALS OF THE ANTI-BULLYING AND ANTI-VIOLENCE (ABAV) PLAN

- Outline the responsibilities of all parties towards the elimination of bullying and violence in the school community, including the responsibility of parents to promote a positive and respectful school climate inside and outside school.

- School boards must see to it that each of their schools provides a healthy and secure learning environment that allows every student to develop their full potential, free from any form of bullying or violence.

- School boards must also ensure a healthy and secure working environment for their staff, and the staff must participate in ensuring a safe and respectful working climate.

- The plan is designed to support the optimal conditions required to guarantee the fundamental right to dignity, equality, and integrity, while respecting the unique character of each individual.

School Community Parties:

Students, Staff, School Administration, School Board, Governing Boards, & Parents.

School Partners:

DEFINITIONS as applied in ABAV

Bullying

- “the word “bullying” means any repeated direct or indirect behaviour, comment, act, or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a **power imbalance** between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” ([art. 13, par. 1.1, QEA](#)).

Violence

- “The word “violence” means any **intentional** demonstration of force of a verbal, written, physical, psychological or sexual nature which causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property” ([art. 13, par. 3, QEA](#)).

Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by technological means.”

1. ANALYSIS OF THE SITUATION

Description of the findings that emerge from the situation analysis with respect to bullying and violence

The School Survey data from 2022 reveals that 31% of students have experienced at least one of the four identified forms of bullying: physical, social, verbal, or cyberbullying. Notably, 59% of these incidents occur during recess, while 15% take place after school hours. Additionally, the data suggests a moderate to high prevalence of anxiety among students, with approximately 40% reporting elevated levels.

Despite additional resources that have been put into action, staff continue to observe signs of anxiety amongst students which is impacting their school-life success.

Priorities identified with respect to bullying and violence

Following data analysis, the School Climate Team identified four key objectives for improvement:

- enhancing students' ability to independently resolve conflicts,
- reducing feelings of anxiety
- actively address the impact of bullying behaviors and violent behaviours
- increasing the overall sense of belonging within the school environment

The team is committed to the continued promotion of our schoolwide EDDI initiatives.

The team will reflect on how to collect additional data sources in order to inform next year's plan.

2. PREVENTION MEASURES

The ABAV plan must include prevention measures to put an end to all forms of bullying and violence, in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic. Additionally, LBPSB sanctions its schools and centres to carry out measures to promote Equity, Diversity, Dignity, and Inclusion (E.D.D.I.) for all the parties of the school community and their partners.

- Staff are reminded annually that every incident and the ensuing follow-up must be kept confidential.
- Communication with all parties will be discreet.
- All parties will be treated with respect, discretion and empathy.
- Details of applied disciplinary sanctions will be kept confidential as the law forbids that this information be communicated to other students or parents.
